Drivers Should Use Other Routes to Avoid Long Delays

LOS ANGELES — The California Department of Transportation (Caltrans) plans to temporarily close some lanes and ramps on southbound U.S. Highway 101 (Ventura Freeway) in the San Fernando Valley this weekend to install pre-cast concrete slabs in a \$62 million pavement rehabilitation project.

Caltrans strongly recommends that drivers use other routes to avoid significant delay. The work will be done on southbound US-101 between White Oak Avenue and Balboa Boulevard.

The closures are expected to start tonight, Friday, April 28, and end by noon Sunday, April 30. Only southbound lanes and ramps are involved. The schedule is weather-permitting and subject to change. The following closures are scheduled:

- **From 9 p.m. Friday to 10 a.m. Saturday:** #1 and #2 lanes will be closed.
- **From 10 p.m. Friday to 9 a.m. Saturday:** #3 lane also will be closed.
- **From 12:01 a.m. Saturday to 8 a.m. Saturday:** #4 lane also will be closed. ONE LANE WILL BE OPEN.
